

P Guards

P-Guards security services even stretch to helicopters

P-Guards **bodyguards** work discreetly in the background but often find themselves right at the centre of things. Politicians and prominent businesspeople, film stars, famous sports personalities or private individuals who need special protection: they all make use of the security services offered by P-Guards. After pick-up at the airport, VIPs can rely on the company's team of professional specialists to provide round-the-clock security. A schedule tailored to individual needs guarantees VIPs the protection they need whenever the situation calls for it. It may well start during travel to an event or destination: P-Guards bodyguards are active worldwide and accompany VIPs in **aircraft or helicopters** to guarantee seamless protection. As many clients explain themselves, P-Guards transport service guarantees a secure transfer direct from the airport or railway station to the required destination, whether it happens to be a sports event, a concert or an alpine cottage. If required, services can be customized to include luggage transport or guards for private jets, yachts, helicopters and cars. Bring P-Guards security specialists in when planning a journey and their expertise can guarantee a smooth, hassle-free transfer to virtually any destination. Upon arrival at the destination, the company's professional team ensures that clients can work undisturbed or simply relax and enjoy their free time.

Over the course of the past few years, P-Guards has established an excellent reputation for impeccable service. The company's clientele includes celebrities such as Nicolas Cage, Jennifer Lopez and Sylvester Stallone, members of the Saudi Arabian royal family or successful football teams like the Italian national eleven or Bayern Munich.
